The Ultimate Football Experience is a unique opportunity for diehard gridiron CEOs to hit the field with some of the NFL's star players of the past, present, and future. Held in the spring, this annual flag football tournament is a fundraising event benefiting the Kurt Warner First Things First Foundation.

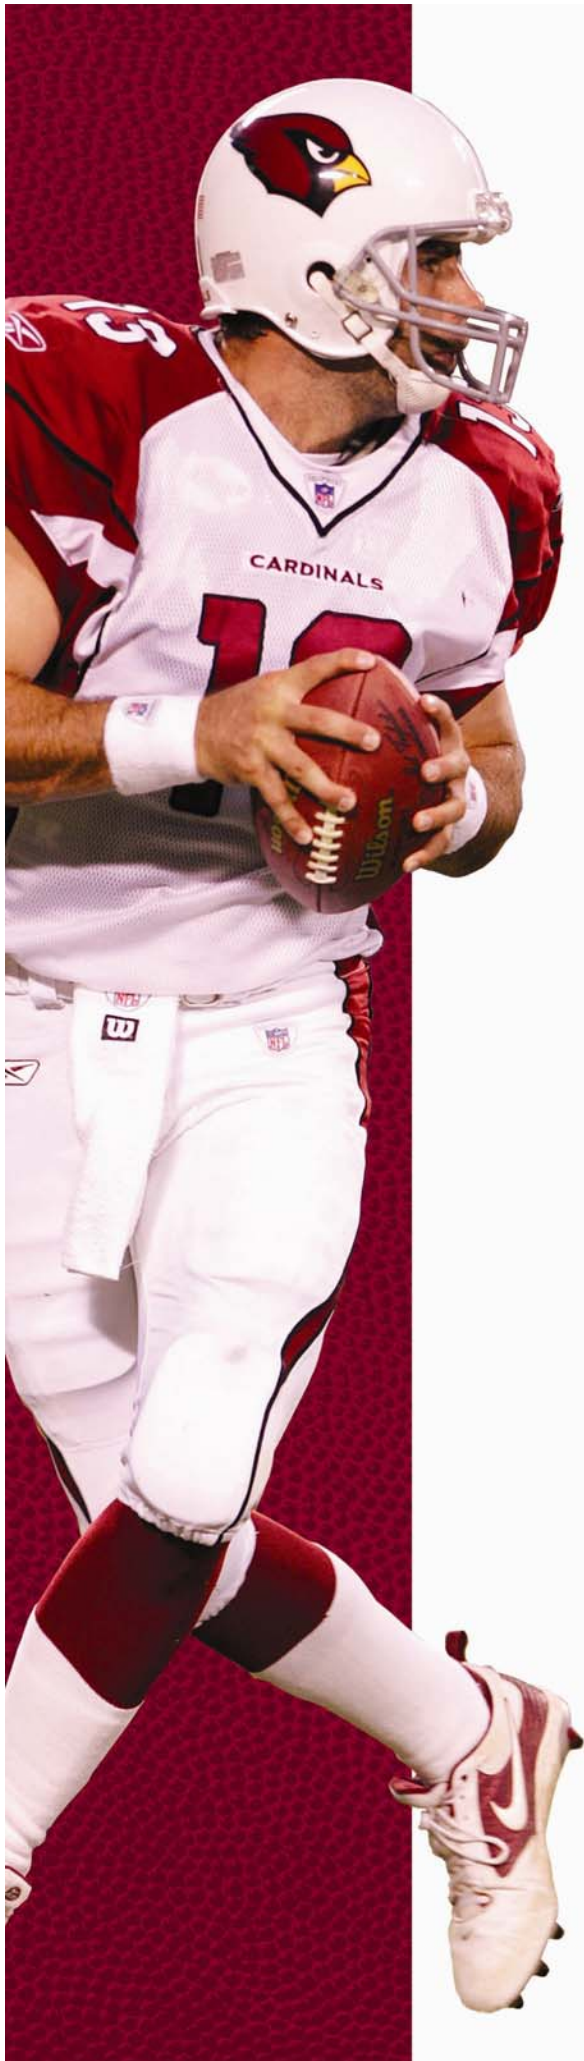

Prior to the tournament, corporate teams compete in Kart and Segway racing at the Draft Party & Auction. This competition determines their place in the Silent Draft to select the NFL celebrity who will quarterback their team. A variety of unique auction items are also available for bidding by the participants and their guests.

On the day of the tournament, corporate teams take part in a "hands on" football fantasy experience. In past years, NFL stars like Warren Moon, Donovan McNabb, Phil Simms, Aaron Rodgers, and Matt Ryan joined Kurt Warner for this exciting two-day event. These celebrities are paired with corporate executives and clients to compete in a four-on-four flag football tournament. The 2012 event will be held on March 9-10 at the Arizona Cardinals Training Facility in Tempe, Arizona. Make this the ultimate sales incentive program for your company and reserve your team today!

The Kurt Warner First Things First Foundation is a 501(c)(3) public charity dedicated to impacting lives by promoting Christian values, sharing experiences and providing opportunities to encourage everyone that all things are possible when people seek to put First Things First.
